

Major components & Achievements:

1. Laboratory networking, 2. Data collection & analysis,
3. Outbreak Control, 4. Training

1 Laboratory networking: Established in 2010.

The linkages of the various districts with the referral labs

	Microbiology Referral Lab	Linked Districts
Referrals Lab (Medical college)	Himalayan Institute of Medical Sciences, Jolly Grant	Dehradun, Uttarkashi, Haridwar, Tehri Garhwal
	UFHT Medical College, Haldwani	Champawat, Pithoragarh, Nainital, Bageshwar, Udham Singh Nagar
	VCSGGMSRI, Garhwal	Chamoli, Rudraprayag
District priority lab	District Priority lab, Pauri	Pauri Garhwal
	District Priority Lab, Almora	Almora

Following Samples were sent under Priority Laboratory and Referral Laboratory Networking

In the year 2012 out of 57 Outbreaks, during 45 Outbreaks samples were taken, tested in Laboratory report received on time. 11 Outbreaks were of Food Poisoning.

In the year 2013 (Till February 2013) of all 3 Outbreaks Samples were taken and report received on time.

2. Data collection & analysis:

Syndromic Report

Total Reporting Unit 1718 Reporting to IDSP 1319 Reporting Percentage 76%

Presumptive Report

Total Reporting Unit 492 Reporting to IDSP 475 Reporting Percentage 96%

Confirmed Report

Total Reporting Unit 159 Reporting to IDSP 158 Reporting Percentage 99%

3. Outbreak Control:

In the year 2012, 89 Outbreak/Alert have been detected and controlled under IDSP.

In the year 2013 (Till February 2013) 05 Outbreak/Alert have been detected and controlled under IDSP

4. Training:

2012-13

Particular	Trained
Hospital Doctors	86
Medical College Doctors	12
Pharmacist	176
Members of Block Health Team	70
Data Entry Operator/Data Manager	26

5. Finance

Year	Budget Allocated	Expenditure
2012-13	1,80,50,000	71,56,243 (Till December 2012)
