C.7	TT2	Total TT Due service (TT1+30 to LMP+280 days) period in the financial year	Total TT Due service (TT1+30 to LMP+280 days) period in the financial year	Total TT2 provided out of total ANC1 registered for financial year.	% calculated from Total TT2 Due+Overdue
C.8	TT Booster	Total TT Due service (LMP+30 to LMP+280 days) period in the financial year and TT1 is not given	Total TT Due service (LMP+30 to LMP+280 days) period beyond the financial year and TT1 is not given	Total TTbooster provided out of total ANC1 registered for financial year.	% calculated from Total TTBooster Due+Overdue
C.9	IFA tablets	Total IFA Due service (LMP+4months to LMP+91 days) period in the financial year	Total IFA Due service (LMP+4months to LMP+91 days) period beyond the financial year	Total IFA provided out of total ANC1 registered for financial year.	% calculated from Total IFA Due+Overdue
C.10	Any three ANCs	Total ANC Due (LMP+245 to LMP+280 days) period in the financial year	Total ANC Due service (LMP+245 to LMP+280 days) period beyond the financial year	Any three ANCs provided out of total ANC1 registered for financial year.	% calculated from Total ANC4 Due+Overdue
C.11	Full ANC	Total ANC Due service (LMP+245 to LMP+280 days) period in the financial year	Total ANC Due service (LMP+245 to LMP+280 days) period beyond the financial year	ANC1+ANC2+ANC3+ANC4+IFA+(TT1+TT2)/TTbooster provided out of total ANC1 registered for financial year.	% calculated from Total ANC4 Due+Overdue
C.12	All Four ANC	Total ANC Due service (LMP+30 to LMP+91 days) period in the financial year and Total ANC Due service (LMP+92 to LMP+188 days) period in the financial year and Total ANC Due service (LMP+189 to LMP+244 days) period in the financial year and Total ANC Due service (LMP+245 to LMP+280 days) period in the financial year	Total ANC Due service (LMP+30 to LMP+91 days) period beyond the financial year and Total ANC Due service (LMP+92 to LMP+188 days) period beyond the financial year and Total ANC Due service (LMP+189 to LMP+244 days) period beyond the financial year and Total ANC Due service (LMP+245 to LMP+280 days) period beyond the financial year	ANC1+ANC2+ANC3+ANC4 provided out of total ANC1 registered for financial year.	% calculated from Total ALL four Due+Overdue
C.13	No ANC*	Total beneficiaries registered with no anc			% calculated from Total beneficiaries registered for ANC1 in financial year

**D. Delivery details**

Service Indicator		Total due services #	OverDue Services	Total services delivered Services	% Logic
D.1	Total deliveries reported (with/without outcome)*	Total Delivery Due service (LMP+280 days) period in the financial year	Total Delivery Due service (LMP+280 days) period beyond the financial year	Total Delivery Service provided out of total ANC1 registered for financial year.	% calculated from Total Due+Overdue
D.2	Institutional deliveries	Total Deliveries happened in private+public			% calculated from total delivered
D.2.1	Public institutions	Total Deliveries happened in public facility			% calculated from total delivered
D.2.2	Private institutions	Total Deliveries happened in private facility			% calculated from total delivered

**MOTHER & CHILD TRACKING SYSTEM**  
**Status of Implementation**

D.3	Home deliveries	Total Deliveries happened in Home facility	% calculated from total delivered
D.4	Delivery location not reported	Total Deliveries happened but place not mentioned	% calculated from total delivered
D.5	Normal deliveries	Total Deliveries happened with type as Normal	% calculated from total delivered
D.6	Instrumental deliveries	Total Deliveries happened with type as Instrumental	% calculated from total delivered
D.7	Cesarean deliveries	Total Deliveries happened with type as Cesarean	% calculated from total delivered
D.7.1	Cesarean at Public facility	Total Deliveries happened in public facility and Delivery type as Cesarean	% calculated from total CS delivered
D.7.2	Cesarean at Pvt facility	Total Deliveries happened in private facility and Delivery type as Cesarean	% calculated from total CS delivered
D.8	Delivery type unknown	Total Deliveries happened but delivery type is not mentioned	% calculated from total delivered
D.9	Delivery Due But Not Reported	Total Deliveries Due but not yet reported in portal.	% calculated from total delivery due+overdue

**E. Delivery outcome details**

Delivery Outcome		Summary	% Logic
E.1	Total delivery reported	Total Delivery Service provided out of total ANC1 registered for financial year.	% calculated from Total Due+Overdue
E.2	Still births	Total Delivery Service provided and outcome no=0 out of total ANC1 registered for financial year.	% calculated from Total Delivered
E.3	Live births	Total Delivery Service provided and outcome no>0 out of total ANC1 registered for financial year.	% calculated from Total Delivered
E.4	Live birth (Male)	Total Delivery Service provided and outcome no>0 and one of child is male out of total ANC1 registered for financial year.	% calculated from Total Live birth
E.5	Live birth (Female)	Total Delivery Service provided and outcome no>0 and one of child is female out of total ANC1 registered for financial year.	% calculated from Total Live birth

**F. Pregnancy outcome details**

Pregnancy Outcome		Summary	% Logic
F.1	Total Mother Delivered(with outcome):	Total beneficiary with 1 child+2 child+3 child out of Total ANC1 registered in financial year	% calculated from Total beneficiaries with 1 child+2 child+ >2 child
F.1.1	Mother with 1 child	Total beneficiary with 1 child out of Total ANC1 registered in financial year	% calculated from Total beneficiaries with 1 child+2 child+ >2 child
F.1.2	Mother with 2 children(twin)	Total beneficiary with 2 child out of Total ANC1 registered in financial year	% calculated from Total beneficiaries with 1 child+2 child+ >2 child
F.1.3	Mother with >2 children	Total beneficiary with 3 and more child out of ANC1 registered in financial year	% calculated from Total beneficiaries with 1 child+2 child+ >2 child
F.2	Abortions	Total beneficiary who got aborted out of total ANC1 registered for financial year.	% calculated on the basis of Total ANC1 registered
F.2.1	Total Spontaneous Abortion	Total beneficiary who got aborted with type as spontaneous out of total ANC1 registered for financial year.	% calculated on the basis of Total Abortion reported
F.2.2	Total Induced Abortion (MTP)	Total beneficiary who got aborted with type as induced out of total ANC1 registered for financial year.	% calculated on the basis of Total Abortion reported

**G. Delivery discharge summary details**

Delivery discharge Summary		Summary	% Logic
G.1	With discharge date	Total beneficiaries with discharge date out of total ANC1 registered for financial year.	% calculated from Total Delivered

**MOTHER & CHILD TRACKING SYSTEM**  
**Status of Implementation**

G.2	Within 48 hours	Total beneficiaries who discharged within 48 hours(calculated from delivery date) out of total ANC1 registered for financial year.	% calculated from Total beneficiaries with Discharge date
G.3	Between 2-5 days	Total beneficiaries who discharged between 2 to 5 days(calculated from delivery date) out of total ANC1 registered for financial year.	% calculated from Total beneficiaries with Discharge date
G.4	After 5 days	Total beneficiaries who discharged after 5 days(calculated from delivery date) out of total ANC1 registered for financial year.	% calculated from Total beneficiaries with Discharge date
G.5	Date not reported	Total beneficiaries with no discharge date out of total ANC1 registered for financial year.	% calculated from Total Delivered

**H. PNC Details**

Postnatal care visits		Logic Behind(% calculated on the basis of Total Delivered+total Aborted)	
H.1	Within 48 hours	Total beneficiaries who were visited by ANM for PNC within 48 hours of delivery out of total ANC1 registered for financial year.	
H.2	Within 3- 7 days	Total beneficiaries who were visited by ANM for PNC within 7 days of delivery out of total ANC1 registered for financial year.	
H.3	After 7 Days	Total beneficiaries who were visited by ANM for PNC after 7 days of delivery out of total ANC1 registered for financial year.	
H.4	No postnatal visit	Total beneficiaries who were not visited by ANM for PNC after delivery out of total ANC1 registered for financial year.	
H.5	PNC not reported	Total beneficiaries whose PNC Check up Not happened after delivery out of total ANC1 registered for financial year.	
H.6	Death Reported	Total beneficiaries with PNC Complication as Death out of total ANC1 registered for financial year.	

**I. Maternal Deaths**

Deaths Reported		Summary	% Logic
I.1	Total Maternal Deaths reported	Death reported during ANC+Death reported during Delivery+Death reported during PNC out of total Anc1 registered in financial year	% calculated from Total beneficiaries registered for ANC1 in financial year
I.2	Deaths reported during ANC period	Death reported during ANC(Delivery not happened and also PNC not happened) out of total Anc1 registered in financial year	% calculated from Total beneficiaries dead out of Total ANC1 registered in financial year
I.3	Deaths reported during (Intranatal period) delivery	Death reported during Delivery(Delivery happened but PNC not happened)out of total ANC1 registered in financial year	% calculated from Total beneficiaries dead out of Total ANC1 registered in financial year
I.4	Deaths reported during PNC Period	Death reported during PNC out of total Anc1 registered in financial year	% calculated from Total beneficiaries dead out of Total ANC1 registered in financial year

**J. Janani Suraksha Yojna (JSY) Details**

Janani Suraksha Yojna		Summary	% Logic
J.1	JSY entitled beneficiaries*	Total beneficiaries who are JSY entitled out of total ANC1 registered for financial year.	% calculated from Total beneficiaries registered for ANC1 in financial year
J.2	JSY Beneficiaries eligible for payments	Total beneficiaries who delivered and (JSY paid date is filled+ JSY paid date not filled) out of total ANC1 registered for financial year.	% calculated from Total JSY beneficiaries out of registered for ANC1 in financial year
J.3	Beneficiaries paid(with delivery date)	Total beneficiaries who delivered and JSY paid date is filled out of total ANC1 registered for financial year.	% calculated from Total JSY beneficiaries paid and unpaid after delivery out of registered for ANC1 in financial year
J.4	Beneficiaries not paid(with delivery date)	Total beneficiaries who delivered and JSY paid date not filled out of total ANC1 registered for financial year.	% calculated from Total JSY beneficiaries paid and unpaid after delivery out of registered for ANC1 in financial year

MOTHER & CHILD TRACKING SYSTEM  
Status of Implementation

J.5	JSY entitlement not reported	Total beneficiaries who are not JSY entitled out of total ANC1 registered for financial year.	% calculated from Total beneficiaries registered for ANC1 in financial year
